

GLOBAL LEAN SIX SIGMA FORUM LAUNCHED

eXample Consulting Group (www.examplecg.com) is pleased to announce the launch of a new "GLOBAL LEAN SIX SIGMA EXCELLENCE" online forum for the benefit of the professional community.

The core objectives of this forum are:

- Link industry professionals, Six Sigma and Lean practitioners across the globe
- Enable excellence aspirants to get well initiated into Six Sigma
- Enable practitioners to sharpen their process improvement competencies based on Six Sigma and associated frameworks
- Facilitate sharing, learning, standardization, benchmarking and drive thought leadership

The forum shall have a key focus on enabling **Business and Operational Excellence** built around **Six Sigma, Lean, Design for Six Sigma and Balanced Scorecard** and shall include a wider gamut of Process maturity frameworks in due course.

The forum shall serve as a platform to enable the professional community to "CONNECT - SHARE - LEARN" and enrich their intellectual and execution capabilities. It shall also help create a reliable repository of Six Sigma and Lean applications across various industry sectors besides contributing to drive excellence **thinking and action** in personal and professional life.

The forum shall be moderated by eXample Consulting Group (www.examplecg.com). As we gain momentum, an independent group of moderators shall be established to oversee specific subject matter areas.

You are invited to join this forum and "CONNECT - SHARE - LEARN" and benefit!! Please visit <http://leansigma.collectivex.com> to quickly register and participate in the Global Lean Six Sigma Excellence forum.

Once you sign up, you may also invite colleagues, contacts and associates to join and benefit.

For further details, contact
