ISO 9000:2000 Basics

What Employees Need to Know

This video package introduces ISO 9000:2000 to any of your employees who need a basic understanding of the new standard's requirements. In addition, the video's learning guide provides additional information, gives viewers space for taking notes, asks questions to stimulate thinking and has a quiz to test viewers' retention of material (extra learning guides may be purchased). The video is ideal for use in a classroom setting or for training individuals.
