BVQi (NA) Inc.

Global Reach with a Local Touch

Corporate Overview

BVQi, a wholly owned subsidiary of Bureau Veritas Corp., is a global company providing a full range of value-added second- and third-party registration, auditing and training services for international standards, industry initiatives and customer requirements. With a worldwide client base of more than 52,000 and a network of offices in more than 60 countries, BVQi can provide "Global reach with a local touch" service, with the primary strength of our business resting with the expertise of our highly skilled professional auditors.

Established in 1987, BVQi has shaped its services to support the needs of business today, matching the best people, products and services to the needs of its clients. BVQi is successful because it adheres to the basic strategy of providing value-added benefits to our clients in ways that others do not. We have the experience, expertise and vision to provide our clients with international solutions to emerging global issues, enabling them to better compete in today's business environment.

Whether around the corner or around the world, BVQi is organized to provide a seamless delivery of service, wherever your business location.

Visit our Web site today to learn more about the services offered by BVQi at www.bvqina.com.
