eGREEN BELT & eBLACK BELT CLASSES

REGISTER FOR AN ONLINE CLASS WITH SOME "KICK"

Web-based training is just one of many course offerings from BMG. eGB and eBB are specifically designed to accelerate the process of Six Sigma implementation. The highly developed curriculum includes multimedia instruction and daily interaction with a Master Black Belt. This training medium provides greater flexibility for students and their managers, cost efficiency, and enhanced learning.

FEATURES OF eTRAINING

- Online presentation of lectures with full instructor audio and selective use of video.
- Document sharing for project reports.
- Threaded discussions between student and student, and students and instructor.
- Virtual "office hours" during which the instructor is online for real time chats.
- Student journals... students make daily notes about their progress, their questions and their difficulties; and instructors respond daily.
- Online quizzes.

COURSE SCHEDULE

Courses are self-paced. eGB students should expect to spend about one hour per day, for approximately 12 weeks. For eBB's, it's about 1-2 hours every day for 20 weeks.

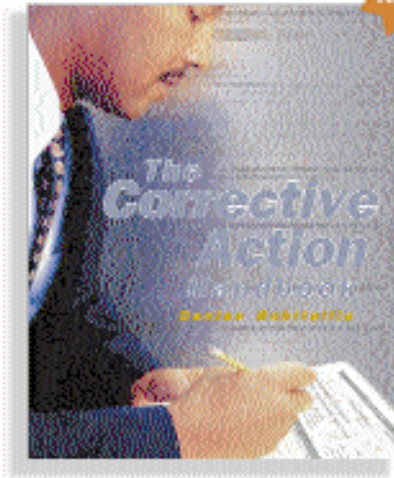

Call BMG today at 1-800-46-SIGMA
or visit www.BMGi.com for more information about

Corrective Action.

NEW!

It Doesn't Have To Be Difficult.

Many people are confused about corrective action. They know it's a requirement for compliance to standards such as ISO 9000, but they don't always realize the benefits of a well-designed and well-implemented corrective action process.

The Corrective Action Handbook is a terrific guide for anyone involved in the corrective action process. It's ideal for quality managers, ISO 9000 management representatives, production supervisors, group leaders, customer service managers, quality technicians or anyone else involved in the corrective action process.

An Immigrant's Gift The Life of Quality Pioneer, Joseph M. Juran

The teachings and writings of Joseph M. Juran have had a profound impact on the quality of the products we buy and use every day. His pioneering work in quality is heralded all around the world, and yet the story of this very private individual has remained unknown, until now.

Through candid interviews with Juran, family members and industry notables, including Peter Drucker, Steve Jobs and Robert Calvin, we understand the events that guided this Immigrant's Journey through life. This video dramatizes how quality affects each of us, and why it has become so critically important to our everyday lives.

ISO 9000:2000 Is Here.

NEW!

Are Your Auditors Ready?

ISO 9000:2000 presents challenging new auditing requirements for organizations. Make sure your internal auditors are ready for the challenge.

Author William A. Stimson has more than 30 years' experience in quality, including 10 years as a lead auditor for the U.S. Navy. He presents an in-depth handbook for auditors, including a comprehensive review of auditing quality management systems to ISO 9000:2000.
